TRANSLATOR'S NOTE

- This is an English translation of a Spanish-language document, prepared for information. It is NOT a certified or sworn translation. If a sworn/certified translation is required, an officially appointed translator must produce it.
- The complete, UNALTERED Spanish original is page 2. Submit the original document alongside this translation. The seals, stamps, ink signatures, embossed national emblem and border on page 1 are the original graphics photographed from the document; they certify the original only and do NOT certify this translation. Nothing has been re-issued, re-signed or re-sealed.
- Left in original form: the school name (INSTITUTO DE ALAJUELA), the holder's name (QUESADA RODRIGUEZ KEYLOR), the place (ALAJUELA), the year (98), the register numerals (1 / 182 / 7040), the word "folio" (identical in English), and the form code 1245-89-Public.
- Not overlaid on page 1, because ink signatures cross them - rendered here instead: "Director de la Institución" = Director of the Institution; "Asesor Supervisor" = Supervisory Advisor. Seal legends: "Ministerio de Educación Pública - Supervisión Escolar 01 - Alajuela, C.R." = Ministry of Public Education - School Supervision 01 - Alajuela, Costa Rica; "Instituto de Alajuela - Dirección" = Instituto de Alajuela - Principal's Office.
- Where translated text sits over the embossed national emblem, the emblem is partly covered by the overlay. It is intact on page 2.
- Document identified: Certificate of Completion of General Basic Education ("Educación General Básica", the Costa Rican basic education cycle), Ministry of Public Education, Republic of Costa Rica - issued at Alajuela, 5 March 1998; recorded volume 1, folio 182, entry 7040.
